Abbot Smith proposed to handle the release of NIE 13-8 on the basis of precedents established last year. The Director agreed.

Carver reported on yesterday's debriefing of General Taylor.

Carver discussed operations in Laos, and the Director told the DD/P that Bill Bundy expects C/FE to get in touch with him concerning this matter upon his return.

DD/P noted a request from the Office of Training that the Agency's film on Laos be screened for State's Senior Seminar. The Director agreed.
